RE: Dominion Energy South Carolina, Inc.  
Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

Dominion Energy South Carolina, Inc. ("DESC" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more. *See* S.C. Code Ann. Reg. 103-412.2.7(A). In compliance with the regulation, this letter serves as notification to the Commission that DESC plans to install approximately 14,560 feet of 6-inch plastic natural gas pipeline to support growth in the Williamsburg County/ Lower Florence County area in Cades, South Carolina. This project will serve a new hospital (MUSC) located near the intersection of Tram Road and US-52N (Williamsburg County Hwy) in Williamsburg County.

DESC anticipates that construction will begin in April 2021 and that the total cost of this construction project will exceed \$500,000.

By copy of this letter, we are also notifying the ORS of the Company's planned construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,
